All students enrolled at Saint Anselm College are **automatically enrolled in and billed** for the Student Health Insurance Plan. If you are insured by a plan that provides comparable coverage, you can request to waive enrollment. Not all plans are considered comparable, such as out-of-state Medicaid plans or regional HMOs. Your current plan must provide coverage in New Hampshire. For athletes, the NCAA requires proof of insurance coverage. If the waiver is not submitted by the deadline below, you will remain enrolled in and billed for the Student Health Insurance Plan for the entire policy year.

International Students cannot waive coverage unless you are currently enrolled in a fully Affordable Care Act compliant insurance plan through a U.S.-based insurance company and claims administrator.

The staff at Health Services will do all that we can to insure that students notify the proper person regarding out-of-area charges for medical care, but ultimately costs incurred will be the parents' responsibility. It is important for the student to know the proper procedures for obtaining authorization for payment from his/her insurance provider.

ONLINE WAIVER/ENROLLMENT PROCESS OPENS ON MAY 17, 2023
